Interior continued:

fold out footrests and the club sections are berthable. The 8 club chairs are upholstered in a light tan leather, the divan in a complementing light tan velour designer fabric, complemented by a neutral tan/brown carpet (replaced May 2017). The headliner is ivory ultra leather, the dados are covered in medium tan leather, the window reveals are a medium beige textured linen fabric, the galley countertop is a blue/gray speckled solid surface material, and the interior woodwork and cabinetry finished in a medium cherry high gloss veneer. All exposed cabin functional and decorative metal surfaces, latches, and fixtures are plated in a polished gold finish. Ten 115VAC/60Hz outlets are located throughout the cockpit and main cabin for crew and passenger use. The window shades are manually operated.

Cabin entertainment includes SwiftBroadband High Speed Data access (HD-710), Airshow 4000, and 2 CD/DVD players, one for the cabin and one for the aft stateroom (not interfaced), which can be viewed on an 18" LCD Monitor in the Right-Hand Fwd Cabin Bulkhead, 18" LCD Monitor in the Left-Hand Aft Cabin Bulkhead, and a 32" LCD Monitor mounted above the RH Divan in aft stateroom. The forward full-service main galley features an electric refrigerator, microwave oven, high-temp oven, coffee maker, galley sink with cold/hot potable water, dual ice drawers, cold storage drawer, and ample miscellaneous ample storage drawers and compartments for crystal, china, flatware and condiments.

Exterior: Painted May 2009 @ Gulfstream – Appleton, WI

Overall White with Carolina Green and Lilliana Green Striping.
