Interior:

The cabin is configured for 13 passengers. Entering the aircraft immediately behind the main entry door is a left-hand storage closet followed by a left-hand crew lavatory. On the right-hand side is the main galley that includes a Sharp 1000W/R 21LT microwave oven, Dynamo Aviation cold air chiller, TIA coffee machine, AeroLux Espresso machine, Rockwell Collins convection oven, duplex 110/220 VAC 50/60 Hz outlet, and solid hinged galley/cabin divider. Immediately opposing the main galley on the left-hand side is the galley annex. Moving into the main cabin, there is a four (4) place club with seats that are mechanically controlled and fully berthable followed by a left-hand mini credenza for storage only. Continuing aft is a left-hand four (4) place conference/dining group that immediately opposes a large right-hand credenza with 15" LCD monitor, DVD player, and CD changer. Moving into the aft cabin through the electric/pneumatic door is one (1) forward facing seat with small credenza on the left-hand side that immediately opposes a right hand four (4) place mechanically berthable divan. Further aft is a full service lavatory with vacuum toilet on the right hand side followed by the baggage compartment.

The woodwork is a dark Ash with high gloss and all cabin seating, including the divan, are covered in medium tan fabric. All plating throughout the aircraft is polished chrome. The carpet is Stevenson tan and the countertops in the galley and lavatories are brushed stainless steel. The window line panels are light Camel fabric and the headliner is Porcelain Ultraleather. The lower side panels are covered in a Spinneybeck Gray Parrot leather.
