INTERIOR: Interior Refurbishment Completed December 2018 by Cessna MCO

Nine passenger interior including belted lav seat. The forward cabin includes a two person side facing belted seat opposite the entry door. The main cabin continues with four, single club seats followed by two forward facing single club seats. The aft cabin has a private lav area with a potty seat and small sink. The carpeting is a light beige with mono-tone pattern. All seats are upholstered in a light tan leather. There is dark brown two-tone woodwork throughout the cabin and silver nickel plating. There are fold away tables at each seat for added convenience while eating or working. The forward cabin includes a refreshment center complete with coffeemaker and additional storage.

EXTERIOR: New Stripe and Paint Completed January 2019 by Duncan Aviation

Overall white with navy blue and grey accent striping

GET THE EDGE

Not just aircraft brokers, we have the entire lifecycle of aircraft ownership *covered*

ANALYZE

Study the client's needs and make a plan. Our analytical fleet plans, feasibility studies and other consulting products ensure a sound financial and operating plan for the client. See it in action [here](#).

BUY

Procure what is required for the plan. Market intelligence & intuition second to none. See our acquisition process, track record & market analytics [here](#).

MEASURE

Measure the plan regularly to make sure it is being carried out effectively. We offer quarterly monitoring services to make sure what was the plan still should be the plan and the plan is efficient, cost effective and managed properly. See it in action [here](#).

SELL

If assets are to be sold as part of the client's plan, we carry out the sale efficiently. See our professional and efficient brokerage services in action [here](#).

TECHNICAL SERVICES

A depth of technical services are available for every step of the client's plan. See how our in-house technical services can be put to work for you [here](#).
